

**COMMUNITY OUT REACH PROGRAMME-ASSAM**  
by Department of Public Health Dentistry, NPDCH

**Date: 24<sup>th</sup> to 28<sup>th</sup> November, 2016.**

A community dental outreach programme was carried out in LIFE LINE express in Goalpara, Assam under the auspices of Impact India Foundation for providing dental services to the poor, underserved and needy population of the Goalpara district, Assam. Basic dental services in the form of oral prophylaxis, restorations and extractions were carried out. Approximately 800 individuals were benefited in this programme
