

## **Evidence Based Research Refresher Course – 13<sup>th</sup> & 14<sup>th</sup> February, 2017**

Narsinhbhai Patel dental college & hospital under the auspices of Sakalchand Patel University has organized a two day course on 'Evidence based research refresher course' on 13<sup>th</sup> and 14<sup>th</sup> February, 2017. The objective of this course was to share insights of the research by eminent speakers which is evidence based with all those especially post-graduates who has a passion towards research. There was huge response for this course with 150 registrations having participants from various constituent units of SPU.

The programme has started with a formal inauguration involving floral welcome to speakers, lighting of lamp followed by a keynote address from the Dean, NPDCH Dr.J.R.Patel. The chairman, NSVKM Shri Prakash Patel sir addressed the gathering and showered his blessings for the programme. The inaugural programme came to a halt by presentation of vote of thanks by the course coordinator Dr.K.Venugopal Reddy.

There were eminent speakers both from outside SPU (Dr.Monali shah, Professor of Periodontics and Dr.Ramya R, Reader of Public health dentistry from Sumandeep Vidyapeeth, Vadodara) and from SPU (Dr.J.K.Patel, Principal, Nootan college of Pharmacy and Dr.D.M.Patel, Prinipal, SK engineering college). There were hands on sessions on selected scientific articles. The sessions were very interesting and helped everyone to refresh and update their knowledge in the core aspects of research. There were interactive sessions to clear the doubts related to research among the participants. The course concluded with the felicitation of all the speakers. The valuable feedback of all the participants was obtained for the future sessions. All the participants were awarded the certificate of participation. The programme was a success with the appreciations from all the participants and from the trust.
