

CDE on Fundamentals in Research

A CDE program was organized by the department of Public Health dentistry of Narsinhbhai patel dental college and hospital, Visnagar on 21/12/16. The topic for the CDE was “Fundamentals in research”. It was an initiative towards understanding and mastering of research”. The Programme was conducted in the conference hall of Nootan General Hospital, Visnagar.

The program commenced with an inaugural ceremony that included welcoming of the guests Shree Chandrakantbhai patel (Vice chairman NSVKM), Shree L.N. Patel (member of governing body SPU), Dr. D.J.Shah (Provost SPU), Dr.Parimal trivedi (Registrar SPU), Dr.J.R. Patel (Dean NPDCH), Dr.Venugopal reddy (HOD, Department of public health dentistry, NPDCH and Organizing Chairman) and chief speaker Dr.Puneet Gupta (Associate professor, GDC Indore) and lightening of the lamp along with prayer.

Anchoring for the event was done by Dr.Avani Rijhwani and Dr.Nidhi Sabhaya(postgraduates). The gathering was addressed by Dr.Venugopal reddy followed by a vote of thanks from Dr.Umesh.K. (Reader, department of Public health dentistry, NPDCH and Organising secretary).

There were 138 registrations for the programme. There were participants both from our dental college as well as from other dental colleges in Gujarat. One of the salient feature for the programme was that there were registrations even from non-medical institutions in Visnagar. The program was divided in to three sessions with interactive sessions in between.

The CDE ended with an amazing interactive session followed by felicitation of the guest speaker and the entire organizing committee by the head of the institution.

The program was an immense success with appreciation from all the participants as they were satisfied with the knowledge gained from the programme.
