

PROSTHODONTIST DAY CELEBRATION 2018

A prosthodontist is a skilled architect who deals with prosthesis, implants, reconstructive prosthesis to provide optimal function & esthetics. They aid in restoration & replacement of teeth and supporting structures, so its aptly said that "God creates.... we recreate".

Dept. of Prosthodontics, NPDCH, Visnagar celebrated Prosthodontist day with zeal on 21/01/2018 & 22/01/2018 under the able guidance of Dean Dr. J. R. Patel & H.O.D. Dr. Ramesh T. R.

The staff & 1st year M.D.S. students participated in the Prosthodontist Day on 21/04/2018 celebrated by IPS GSB headed by Dr. J. R. Patel. The event flagged off with yoga session for Prosthodontists & PG students. There was also a screening camp organized on the occasion.

Protho PGs from various Dental Colleges in Gujarat participated in table clinic to create awareness among general public regarding Protho treatment options & modalities. NPDCH 1st year MDS students presented table clinic on Implant diagnosis and treatment planning.

NPDCH witnessed a grand celebration of Prosthodontist day on 22/01/2018. The dress code was black & blue with logo. The Chairman of SPU, Mr. Prakash Patel inaugurated the event and also participated in few events to encourage the participants.

There were several types of events conducted including an excellent street play on prosthodontic awareness which was witnessed by the students of NPDCH & sister Colleges. The Dept. offered complimentary prizes to the participants, judges & organizing team.
