

WORLD GERIATRIC DAY CELEBRATION 2017

The Dept. of prosthodontics, NPDCH celebrated World Geriatric Day on 01/10/2017 under the able guidance of Dr. J. R. Patel and H.O.D. Dr. Ramesh T. R.

The Dept. of Prosthodontics in association with IPS GSB had conducted a free denture camp as a part of community outreach program.

The event was inaugurated by Dr. J. K. Patel, Dean, Pharmacy College, SPU. Around 45 camp patients requiring dentures were brought to the Prosthodontics Dept. by the PHD Dept.

The Dept. staffs and PGs treated the geriatric patients who required complete and/or partial dentures.

The clinical & laboratory steps till final trial was done on the same day with lab support.

The dentures were given to the patients after 2 weeks. On both the occasions, the geriatric patients were offered free meals.

The Dept. also conducted awareness regarding nutrition and denture care for the geriatric patients. The camp patients expressed their gratitude & happiness on receiving their dentures.
