

World Health Day 2017

World Health Day was celebrated on 07/04/2017 with theme **“Depression let’s talk”**. The programme started with an address by Dr. J.R Patel, Dean, NPDCH & Provost, SPU, followed by panel discussion moderated by Dr. Venugopal Reddy with the four different specialist in their respective field. The panel discussion was held for a period of one and half hour, and there was a good participation from the participants end.
