

## WORLD ORAL HEALTH DAY 20<sup>th</sup> MARCH 2016

World oral health day is celebrated every year on the 20<sup>th</sup> March. The aim of WOHD is to raise awareness and encourage individuals, families, communities and Government to take action and help reduce the global burden of oral disease.

A total of 130 children and school teachers were educated about the importance of oral hygiene, functions of teeth which was followed by demonstration of brushing technique.

**SPEAKER:** Dr. Avani & Dr. Nidhi (PG students)

The program was concluded by distributing tooth brush and tooth paste to the participants to encourage and motivate them to take care of their oral health.
