Greetings from Narsinhbhai Patel Dental College and Hospital, Sankalchand Patel University, Visnagar, Gujarat. Our university is well established with all the facilities spread over 86 acres of lush green campus, to provide quality and committed education in various fields like dental, engineering, physiotherapy, pharmacy, nursing, diploma, BBA, MBA, MCA with digital library and E-resources. Dental college is well established institute with post graduates in all departments along with 100 bedded multispecialty hospital to cater the needy patients.

We bring together clinicians and researchers to put science into practice. The dental college is backed with a dedicated and experienced team of faculty members to nurture the quest of the students to make them more conscious, competitive and capable to face the challenges.

Department of oral and maxillofacial surgery is doing tremendous work in management of Oral Submucous Fibrosis and cleft lip and palate. The surgical treatment with proper protocol will achieve better results in these cases; in this one day live surgical workshop on patient by **Dr. Rajiv Borle** will refine your skills.

We are looking forward to meet you and making "OSMF-LIVE" an unforgettable event.
