Sankalchand Patel University

Sankalchand Patel University, Visnagar has been established as a statutory University under the Gujarat Private University Act in 2016. The University is founded by "Nootan Sarva Vidyalaya Kelavani Mandal (NSVKM)", a charitable Trust on the vision of Shri Sankalchand Patel, a freedom fighter and social activist. The University is one of the fastest growing university in Gujarat creating its own space under the guidance of Shri Prakash S. Patel, President of the University. It has been ranked among top 20 Universities of Gujarat by Gujarat State Institutional Ranking Framework (GSIRF) – 2019.

The courses offered by these faculties are rated highly by accreditation agencies, industry, business magazines and students. Academic excellence, Innovation and quality are the key driving forces on the campus which have translated the vision of the University institutions into reality. Today, the campus vibrates with not only world class curricular activities but also with myriad activities like Conferences, Conventions, Symposia, Conclaves, Workshops, Students' Competitions, Cultural and Sports activities, etc.

Embodying the principles of entrepreneurship, excellence and professionalism, it imparts topclass business education and has produced new generation leaders and managers over the years. The University believes in serious academic pursuit and encourages original ideas and challenging the status quo through innovation, curiosity and critical thinking to provide indigenous solutions to the national problems. The University also lay equal emphasis on cocurricular and extra-curricular activities for all round development of its students.

Message From President

At Sankalchand Patel University we firmly believe that 'Education is not limited merely to gain knowledge of theories... but it must instill moral values, wisdom and sense of being good human which shape the overall character of individual as a capable & responsible citizen of tomorrow.'

Hence we constantly focus on creating a brighter tomorrow... which would allow us to say proudly 'Tomorrow is Ours'.

Shri Prakash Patel

Message from Provost (Vice Chancellor) & Dean (Dental)

Sankalchand Patel University is a socially responsible university providing an overall development in academics, leadership, deep rooted values, sportsmanship which create scope for employability & entrepreneurship.

We at Sankalchand Patel University are committed to impart excellent education in an encouraging environment and providing equal opportunity for overall development for the scholars.

Welcome to Narsinhbhai Patel Dental College & Hospital, Sankalchand Patel University for your brilliant prospect.

Dr. J. R. Patel

Message from Associate Dean

Narsinhbhai Patel Dental College & Hospital is the crown jewel of Healthcare in Sankalchand Patel University that
Serves the community,
Promises the best treatment and
Utilizes the resources for improving the future of dentistry.

I believe that our expert dedicated faculty members who provide their skills for future dentists in order to become the best, our state of the art infrastructure and the will of students to learn and innovate something new everyday is a perfect combination to reach the Pinnacle in the field of dental education.

We at Narsinhbhai Patel Dental College & Hospital are committed to contribute towards the vision that we have for India and that is to grow the Nation through education and respect the values that carries with it's name and turn our dream into a reality by making Narsinhbhai Patel Dental College & Hospital a hub for academic excellence in the field of Dental Education.

Dr. Vilas Patel

Narsinhbhai Patel Dental College & Hospital was established with the objective of providing an efficient, effective and community-acceptable system that excels in education and community services.

It emphasizes on the all-round development of the students, thus helping them building up academic excellence with bright career opportunities. We also extend the knowledge acquired and new knowledge generated for the development of the community.

We treat every student as an individual learner, recognize his/her potential and ensure that they receive the best platform and training to meet their career ambitions and life goals...
