Date: 18/03/2025

General Maintenance Screening Committee

As per the directions of the University the office of the Dean has constituted a screening committee to look after general maintenance issues on daily basis. The committee will conduct daily rounds of the college premises for maintenance issues related to ambience (including cleanliness) of the college, plumbing, and other minor maintenance issues (if found). The departments will also constitute a screening committee for the above purpose, and it will report to the central committee at regular intervals.
